Sir/Madam,

With reference to e-mail received from Misc. Dak Counter on 16.12.2024 regarding suggestions for improvement in EFM, following clarifications are required for make such changes:

1. Regarding point No. 2, user is required to specify the report, its menu location, and in which application (SC-eFM or ICMIS) it is situated.
2. Regarding point No. 3, If concern users can provide us with 2 or 3 such cases, then only we can check this issue from our ends.
3. Regarding point No. 5, user is requested to explain this point more clearly.

Regards,
Computer Cell,
Supreme Court of India

16/12/2023
Respected Sir,

As directed, suggestions for improvement in EFM, points are following :-

1. On main Page, along with Heads i.e. New filing/ complied objections/ Transfer to ICMIS rest of two heads (pending scrutiny / defects cured) these heads are not assigned for Misc. Dak. So, **instead of these heads** (one head for HOLD matters, can be added).
2. In E-filing History (2nd options i.e. documents) shows already registered matters. Having so many matters, due to which while searching any previous matters, it takes time. So, if possible can document will segregate according to Year (i.e. register in 2023 or 2024, as in 2024 more docs will register and that will be in thousands).

3. Many advocates/ clerks came every day that there document even after registration not reflecting in their ID's. Even we registered in the morning, still not reflecting them/ shows pending for action, after 2-3 hours of registration.
4. Please provide access to search by SLP no.s / diary no. Only search thru e-filing no. is accessible.
5. Earlier in ICMIS, we have access to BLOCK any documents (In matters, when Hon'ble Court have some directions to restrict AOR/ advocate ... not to file/ register). Need such access/ action to compliance such Hon'ble Court Orders.

Regards

MISC. Dak Counter
